WELLBEING COLLECTIVES

Facilitated by the Integrated Wellbeing Network, three wellbeing ‘collectives’ in Rhymney, New Tredegar and Bargoed held their first network meetings in January 2020. In total, over 100 attended the meetings, with each collective producing a set of desired wellbeing outcomes that might be achieved through collaborative working by 2025. A follow-up series of meetings will take place in each locality at the end of February/start of March to build on those, further explore how community groups and services can work better together, and begin planning of local wellbeing festivals scheduled for the late spring.

Ref	Key Tasks	Progress Year 2-3
AA3	Develop the Good health and well-being Action Area	Following the workshop held in spring 2019 to develop actions further with key stakeholders, there is still a requirement to review and progress the findings. This will be a key focus over coming months.
AA 3.1	Improve joint working with an emphasis on prevention to address current and future health challenges	From April, the HPV vaccination programme, which is currently offered to all girls in year 8, will be extended to include year 8 boys. A short film to raise awareness of immunisations has been co-produced with school pupils.
AA 3.2	Invest in the well-being of our staff	<p>Public sector organisations across Gwent are developing a Healthy Travel Charter. A baseline survey is currently underway to look at the travel habits of staff.</p> <p>ABUHB and CCBC jointly fund a small grant scheme for grassroots organisations. One of the criteria of the grant is to support the wellbeing of service providers.</p> <p>The Integrated Wellbeing Network has worked with Health Board and other partners to organise a workplace wellbeing event at New Tredegar on Wednesday 11th March.</p>
AA 3.3	Provide an integrated system of health, social care and well-being closer to home through the Neighbourhood Care Network	A key focus area has been the development of Compassionate Communities in Caerphilly North. The wider workforce is being developed, ensuring a greater skill mix of practitioners, including the appointment of more Community Connectors, new frontline posts such as practice based pharmacists, mental health practitioners and Occupational Therapists.
AA 3.4	Ensure front line staff have the necessary skills and expertise to provide joined up services that meet the needs of residents	<p>Through the Integrated Wellbeing Network work, community assets and activities services and green spaces have been mapped in the upper Rhymney valley area. Collective desired outcomes and impacts have been developed for all 3 Network areas(Rhymney, Bargoed and New Tredegar) as well as a well-being workforce development programme.</p> <p>Talking cafes are being set up to help address isolation, encourage community cohesion and to facilitate signposting to services. First one was held in Rhymney 11/2/20.Others are being established in New Tredegar and Bargoed to commence next month.</p> <p>Links have been made with the PSB volunteering and green spaces action areas.</p>
AA 3.5	Work in close collaboration with the Regional Partnership Board for health and social care to ensure our	
AA 3.6	Create a supportive environment that enables residents to manage their physical, mental and well-being needs in partnership	<p>Making Every Contact Count – April–December 2019 43 members of health professionals working in Caerphilly undertook the Level 1 online training, and 58 attended a classroom session (total 101).</p> <p>In November 2019, the Caerphilly Neighbourhood Care Networks commissioned a training session for wider partners. 16 attended the training, including Caerphilly Council and third sector frontline staff.</p>
