Ref	Key Tasks	Progress Year 1-2
AA3	Develop the Good health and well-being Action Area	All feedback gathered through both the Assessment of Need engagement process and the development of The Caerphilly We Want Well-being Plan has been reviewed and has informed the development of this Action Area. The Delivery Plan for Good health and well-being has been developed and shared with other PSB Enablers and Action Areas. Joint working with other Enablers and Action Areas has begun.
AA 3.1	Improve joint working with an emphasis on prevention to address current and future health challenges	Utilised local media to promote uptake of flu immunisations. A Flu Communications Pack has been developed for primary schools to share messages with parents—all primary school age children are now eligible for Flu vaccination. E Learning Flu Awareness training has been promoted with front line staff across health and social care. Screening Champions (inc. breast, bowel + cervical) training agreed for voluntary sector partners in early 2019 to increase uptake
AA 3.2	Invest in the well-being of our staff	Staff well-being events held. Encouraging uptake of flu vaccination via e learning, media and internal communications. Vending machine provision changed to a healthier choice Exploring opportunities with Action Area 5 (Promote + enhance the local natural environment) to promote active travel and access outdoor green space
AA 3.3	Provide an integrated system of health, social care and well-being closer to home through the Neighbourhood Care Network	All three NCN (Neighbourhood Care Network) plans have been reviewed and submitted to Welsh Government —these are now aligned to the key priorities of this action area, the Integrated Partnership Board and ABUHB’s Integrated Medium Term Plan. All 3 plans are also aligned to the 5 Ways of Working and the 7 Well-being Goals. NCNs have agreed funding for health visitor projects including constipation training and safer sleeping . These initiatives also support Area Action 1—Best start in life. Refocused NCN meetings to encourage greater involvement of key stakeholders around the table using a workshop approach around key priorities with key actions and outcomes. NCN cluster workshops on obesity to be held early 2019. Caerphilly Winter Plan developed for all services who deliver front line and support services. Focuses on inclement weather and business continuity. ‘Choose Pharmacy’ - common ailment service promoted via local media and NCN clusters.
AA 3.4	Ensure front line staff have the necessary skills and expertise to provide joined up services that meet the needs of residents	Care navigation training running between Sept—Dec18, has been provided for all GP practice reception staff which aims to direct patients to most appropriate service in a more timely fashion. Caerphilly wide NCN workshop on 22nd Nov 18 with third sector partners will raise awareness of services provided in Caerphilly and identify gaps in service which will be taken forward to form a work plan.
AA 3.5	Work in close collaboration with the Regional Partnership Board for health and social care to ensure our individual priorities	Reviewing current reporting governance frameworks within Caerphilly. Currently there is a multi partner management forum which provides support for NCN clusters and will act as a conduit to the Integrated Partnership Board. There is a requirement to improve the communication between the Gwent Regional Partnership Board, the Caerphilly PSB and the Integrated Partnership Board.
AA 3.6	Create a supportive environment that enables residents to manage their physical, mental and well-being needs in partnership	Making Every Contact Count training is being delivered to frontline staff. E learning is available for non-NHS staff. Preparations are underway to prepare for the new Smoke free legislation including raising awareness of organisation's Responsibilities and building upon existing smoke free policies in schools, playgrounds and hospital sites.

Guidance sought from the Public Services Board
